do more WITH LESS

Every day you are asked to be more efficient, get more output and use fewer resources. At GENEX, we understand these challenges. As your cooperative, we are committed to helping you do more with less.

Genetics that Make a Difference

“Through selection on ICC™ I can create cows that are more efficient. That means I can build a cow that uses less resources to produce milk and will have less impact on the environment.”

Jason Erskine, Les Fermes Erskine, Canada
